In discussion Members appreciated the urgency of the position and suggested researching case studies of vibrant, innovative towns, the possibility of articles/adverts about Ruthin in publications such as the Liverpool Echo as well as ensuring that advice and support was provided by Denbighshire County Council's tourism and marketing team (including the Love, Live, Local initiative). Given the back catalogue of initiatives from 'Bro Rhuthun' it was suggested that there was a potential for the business community to reengage with its ambitions and aims fairly swiftly. The Retail Showcase within The Old Courthouse, which was currently being developed, and the wayfinding signs were tangible actions by which the Town Council supported the visitor economy.
