198. LEVELLING UP - UPDATE

Gareth Roberts, James Evans and Sandra Sharp of the Economic Development Team in Denbighshire County Council provided an overview and update on the Clwyd West constituency Levelling Up Fund bid. Members were reminded that Conwy County Borough Council was the lead authority for the Clwyd West bid, which would be worth up to £20m (with £10m for both Councils). Denbighshire County Council's Cabinet had agreed to support the projects within its boundary which included the St Peter's Square Public Realm and the Cae Ddol and green corridors projects. Members were advised that the final bid documentation

was being firmed up and project costs updated. Denbighshire and Conwy County Council Officers were working closely to ensure that the bid was ready for submission once the bid window opened; a date for this was awaited. Whilst the aim was to deliver the complete projects, it was highlighted that aspirational aspects may require reconsideration, due to cost creep, but would be discussed with the project leads, as appropriate. The Levelling Up fund was a competitive process, and funding was not guaranteed.

In discussion Ruthin Town Councillors emphasised that the Ruthin Public Realm and Cae Ddol projects were broad and holistic and drew upon long held local ambitions. It was possible that some smaller elements could be completed incrementally through other funding pots. Information provided by all stakeholders in support of the various projects in Ruthin was being considered and collated as part of the wider bid.
