ADRODDIAD AELODAU LLEOL:

AWDUR: CYNG. BOBBY FEELEY

Gobeithio i chi gyd fwynhau'r Nadolig a dymunwn Blwyddyn Newydd Dda i chi:

- Ysgol Stryd y Rhos: Pennaeth dros dro newydd, cyn Ddirprwy Bennaeth, Andrew Davies. Atgyweiriadau ar ôl storm yn parhau. Man allanol wedi'i gwblhau.
- Diweddariad ar archifau: Mae cais newydd wedi'i wneud i Gronfa Dreftadaeth y Loteri Genedlaethol mewn perthynas â chyllid grant i alluogi codi archifdy newydd gerllaw Theatr Clwyd. Bydd yw archifdy newydd arfaethedig yn cynnwys Sir Ddinbych a Sir y Fflint, fel Gwasanaeth Archifau Gogledd-ddwyrain Cymru (NEWA), (a sefydlwyd yn ystod 2020). Er ein bod yn croesawu cadw Cyfleuster Archifau yn 46 Stryd Clwyd, mae Emrys yn parhau i fod o'r farn y dylai Archifau Sir Ddinbych aros yn Sir Ddinbych ac mae wedi gwneud awgrymiadau ar sut y gellir cyflawni hyn pe na bai'r cais newydd yn llwyddo. Dylai canlyniad y cais mwy cymedrol ar gyfer GTyL fod yn hysbys ganol mis Mawrth 2022.
- Mae cyllid pellach ar gael i fusnesau yr effeithiwyd arnynt gan y cyfyngiadau diweddaraf sy'n deillio o'r pandemig coronafeirws. Mae Cyngor Sir Ddinbych yn helpu i weinyddu Cronfa Busnes Argyfwng Llywodraeth Cymru - Ionawr 2022. O dan y pecyn cymorth diweddaraf, bydd gan fusnesau manwerthu, lletygarwch, hamdden a thwristiaeth sy'n talu trethi busnes hawl i daliad o £2,000, £4,000 neu £6,000 yn dibynnu ar eu gwerth ardrethol.
- Mae'r Gymdeithas Ddinesig wedi sicrhau cyllid loteri tuag at adfer craen y rheilffordd sydd wedi'i leoli yn y Ganolfan Grefftau. Mae darpariaeth wedi'i gwneud yng nghyllideb y Ganolfan Grefft i gyfranu £1,000. Mae'r Ganolfan Grefft bellach yn dod o dan DLL ac maen nhw'n ymchwilio i'r manylion. Mae cyfarfod wedi ei drefnu wythnos nesaf i drafod.
- Er mwyn i'r Cyngor Sir allu cadarnhau'n ffurfiol cefnogaeth i'r prosiect felodrom ar safle Ysgl Brynhyfryd, ac ymateb i unrhyw gais am gymorth ariannol, bydd angen ymgynghoriadau mewnol i gynorthwyo'r broses benderfynu angenrheidiol. Cyfarfu CSDd a'r Cyngor Tref y mis hwn i drafod, bydd y Cyngor Tref yn darparu trosolwg o'r prosiect a chadarnhad o rôl y Cyngor Tref yn y dyfodol.
- Mae Cwningar y Castell yn parhau i fod ar gau, bydd atgyweiriadau hanfodol i wal restredig gradd 2 yn digwydd pan fydd manylion yswiriant yn cael eu trefnu.
- Mae prosiectau 'Ffyniant Bro' yn dal i gael eu datblygu ond nid ydym wedi cael dyddiad penodedig i'w cyflwyno eto.
- Rydym wedi aildechrau ein hamserlen brysur o gyfarfodydd a dyletswyddau'r Cyngor Sir ar ôl cyfnod y Nadolig.

Cynghorwyr Sir: Bobby Feeley, Emrys Wynne a Huw Hilditch Roberts

LOCAL MEMBERS REPORT:

AUTHOR: CLLR BOBBY FEELEY

We hope you all enjoyed Christmas and wish you Blwyddyn Newydd Dda

- Rhos Street School: New acting Head, former Deputy Head, Andrew Davies. Repairs after storm ongoing. Completed outside space.
- Update on archives: A new application has been made to Wales National Lottery Heritage Fund (NLHF) in respect of grant funding to enable the construction of a new archive building adjacent to Theatr Clwyd. The proposed new archive centre will accommodate both Denbighshire and Flintshire, as a collaborative North East Wales Archive Service, (NEWA), (established during 2020). Whilst we welcome the retention of a satellite Archives Facility in 46 Clwyd Street, Emrys remains of the opinion that Denbighshire's Archives should remain in Denbighshire and has made suggestions as to how this may be achieved should the new application not succeed. The outcome of the more modest NLHF bid should be known during mid-March 2022.
- Further funding is available for businesses impacted by the latest restrictions arising from the coronavirus pandemic. Denbighshire County Council is helping to administer the Welsh Government's Emergency Business Fund - January 2022.
- Under the latest package of support, retail, hospitality, leisure and tourism businesses who pay business rates will be entitled to a payment of £2,000, £4,000 or £6,000 depending on their rateable value.
- The Civic Association have secured HLF funding towards the restoration of the Railway crane at the Craft Centre. Provision has been made in the RCC budget to cover the £1,000 shortfall in funding. RCC now comes under DLL and they are looking into the details. Meeting organised next week to discuss.
- In order for the County Council to formally confirm its support for the velodrome project at Brynhyfryd site, and respond to any request for financial support, a number of internal consultations will be required to assist the necessary decision making process. DCC and TC met this month to discuss, Town Council will provide an overview of the project and confirmation of the future role of the Town Council.
- Cuning Green remains closed, essential repairs to grade 11 listed wall will take place when insurance details are sorted.
- Levelling up projects are still being worked through but as yet we have had no revised submission date.
